

GUS MIX RIGHT ARM SOFA

Brand Gus

Description The Mix Modular Collection lets you mix and match components and fabrics to build a custom sectional, sofa or seating group to perfectly suit your space. The design uses 6 basic components (Left Arm, Right Arm, Armless, Corner, Arc and Ottoman) which can be combined to create an unlimited number of seating configurations. Choose matching fabrics or mix things up to make it your own. Components can be easily reconfigured or added later to adapt to the changing needs of any home or workspace. The tight seat and back give the design a clean-lined, contemporary look, and each component has French seams to subtly soften the edges. Constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
