

SOUTHPORT DIABLO STOOL

Brand GlobeWest

Description A stylish option to add extra seats to your outdoor spaces, the Southport Diablo stool merges strong contemporary design elements and natural textures. This solid timber stool showcases the natural curves and ripples of the wood and, thanks to its carved construction and lightly sanded finish, will fit right in with modern outdoor living areas.

Solid Teak. Natural splitting in teak timber may occur and vary in size. This is considered a natural characteristic of this product.
