

Lumi Occasional Chair - Tapioca

Brand: GlobeWest

Description: Upholstered in Tapioca, the Lumi Occasional Chair presents Postmodernist playfulness in a lighter, more neutral colour story. The sculptural form defined by volumetric, intersecting tubular masses creates immediate visual impact. Fully upholstered cylindrical legs remove traditional visual breaks between floor and seat, making the piece feel like pure sculpture. The oversized tube that wraps to form the backrest provides genuine support whilst creating that signature nested effect. High-performance foam ensures lasting performance. Tapioca upholstery suits contemporary eclectic and maximalist interiors seeking statement seating. This chair functions as a focal point rather than background piece, ideal for spaces where furniture contributes actively to the design narrative.
