

GLOBEWEST INDOOR COLLECTIONS 2023

Coinciding with the launch of its' 2023 Design Directions Forecast, Australian designer furniture brand GlobeWest introduces 22 new collections and over 750 new products.

Of these new collections, 10 Indoor ranges have been introduced to their diverse offering.

"The desire for creating comfort and connection in the home isn't going anywhere, but we're seeing this extra layer of boldness & personality come through. Playing with angles, embracing handcrafted silhouettes and oversized cushioning emboldens spaces yet still welcomes rest & renewal." Explains GlobeWest Head of Creative, Keti Lytras.

"Tactile surfaces, architectural influences and organic forms add a sense of presence to interiors." Continues Keti.

Sophisticated profiles and voluminous seating imbue a sense of calm. Striking fluted forms and channel tufting combine with handcrafted textured metals for a curation of unique silhouettes.

Tactility is prominent in viola marble and geometric finishes. Solid timbers in soothing natural oak & dark woods embodies warmth. Textured weaves of boucle are elevated by eye-catching tones of starry night, pink speckle & dusty blue.

Neutrals are elevated in saltbush, pearl, and pecan, whilst warm tones of cognac, dijon and desert speckle emerge to embolden interiors. Moody tones are softened in dark shades of moss, mule & chocolate.

New casegoods collection **Orion** inspires a Mid-Century Modernist appeal in a Coffee Table, Side Table, Buffet & Console. Rich tones of teak in the Coffee Table, Console & Side Table complement its natural warmth, while the twisted etched detail on pillar legs adds to the retro allure.

There's a touch of the luxurious with new deco Parisian-inspired collection, **Celeste**. Consoles, Coffee Tables & Side Tables showcase handcrafted textured black metal in the form of wavy hairpin legs. Elegant features continue with an inset marble top in white or galaxy marble.

With a nod to the traditional, **Ophelia's** classic form is enhanced by a handcrafted artisanal metal frame and tapered cross legs. Featuring a Side Table & Coffee Table, this collection is complete with an inset marble top or black mangowood finish.

Inspired by its namesake, the **Kin** collection embodies togetherness in round and oval Dining tables. Bold yet slender sculptural legs meet a smooth, gradual curve under the tabletop. A reverse diamond veneer pattern is featured on the round Dining Table.

Effortless & elevated, **Heidi's** smooth and sophisticated profile is displayed across a Buffet, TV Unit, Bedside, Desk and Drawer Unit. With soft edges and a subtle shadow line top, the concave curves of the shelf and legs are a clear display of refined simplicity.
