

GLOBEWEST OUTDOOR COLLECTIONS 2023

Australian Furniture brand GlobeWest reveals its most comprehensive and diverse Outdoor furniture collection yet, adding 8 new ranges and 90+ new styles to its' living, dining, and lounging offering.

Discover functional designs in highly durable surfaces and weather resistant fabrics that encapsulates the feeling of a sun-soaked getaway, including thoughtfully curated textures and forms offering ultimate comfort with indoor-like quality.

“As Australian architecture emboldens indoor/outdoor living spaces, we celebrate these broadly desired extensions of our homes, with reinforced indoor looks making their way outside for an elevated appearance.” Explains GlobeWest Head of Creative, Keti Lytras.

“Inspired by our connection with the natural environment, we’re excited to incorporate more colour into outdoor, injecting fresh tones of sage, terracotta, fossil and sand, merging style with durability in a soothing mix of materials.” Keti continues.

Outdoor seating silhouettes present in new woven fabrics and tactile forms. Refined tapering, sleek frames, and contemporary styles are enhanced through a blend of considered designs and contrasting profiles.

Soft waves and arched profiles provide an edge to outdoor living, while multifunctional pieces offer flexibility to spaces large or small, with rounded dining tables & modular sofas accommodating a range of outdoor settings.

NEW OUTDOOR COLLECTIONS

With natural curves and flowing organic shapes, new collection **Artie Outdoor** will add a playful touch to outdoor living across a Dining, Coffee & Side table. Lively and unique shapes combine with a bullnose tabletop feature across three vibrant fibre stone colourways of terracotta speckle, sage speckle and warm sand.

Clean and welcoming, **Tulum** offers plush comfort with a minimal pared-back frame across 1 & 3 Seater Sofas and a Coffee & Side Table. Soft rope weaving adds tactility in a fossil and white colourway, while a slim tubular structure creates a linear look across the occasional tables.

Beckon a cosy sanctuary with **Corsica**. Cocooning comfort coupled with soft lined silhouettes helps create an intimate setting across Dining and Occasional Chairs. A combination of teak and rope, softened by rounded timber edges embodies a warm and inviting outdoor space.

The understated yet eye-catching **Portsea** collection offers a sleek, refined and modern take on outdoor living. Spanning across living and dining, this versatile and durable collection features a Sofa & Day Bed
