

GLOBEWEST COLLECTIONS 2023 | VOLUME #02

March 2023 – GlobeWest, the Australian designer furniture brand presents Volume Two, the evolution of their 2023 Collection.

“Inspired by the opportunity to reinvigorate our senses by inviting more creativity into our daily lives, Volume Two invites personality, playfulness and comfort to our unique Australian living” says GlobeWest Head of Creative, Keti Lytras.

GlobeWest welcomes new, bold colours that create hero moments in a liveable way, inviting customers to “play with colour, play with texture and create something exciting.” – Keti Lytras. Statement silhouettes and note-worthy tones add personality and joy to interiors. Building on one of the established 2023 trends, ‘Life in Colour’, GlobeWest introduces sophisticated upholstery in fresh and luxurious tones, with an exciting palette of Plum Speckle, Spiced Orange and Cognac to imbue a sensorial moment for interiors.

GlobeWest continues to look at its contemporary offering in new and innovative ways. Building warmth and variation to our spaces with friendly shapes, encouraging nesting and clustering, layering organic shapes together.

Inspired by the trend they have named ‘Common Ground’, the modern design direction is significant to Volume 2. “We’re soothing our senses with luxurious upholstery, oversized seating and long-lasting comfort” Keti says. The grounded forms are paired with sophisticated marbles to embody the mature palette of moss, mule and chocolate colours.

Volume 2 seeks to offer comfort, joy and connection for Designers and design lovers, launching March 21, 2023.

NEW INDOOR COLLECTIONS

Celebrating a contemporary take on Mid-Century Modern, the **Floyd** collection combines clean lines and luxurious materials. Statement marble sits atop suspended casing and plinth legs. Inviting dimension and sophistication. Available in modern Black oak with Viola marble or Vintage-inspired Natural Ash with Brown Vein marble.

Refined and refreshing, the **Leon** collection welcomes friendly curved edges and soft fluting. The distinctive base offers dimension and visual interest to any space. Available in grounding tones of Black and Twilight or uplifting Natural Ash.

Tactile in presence and form, **Freya’s** natural tones welcome a sense of serenity. Detailing touches of contemporary rattan construction and soft rounded corners create an elevated appeal. Available in a Buffet, Entertainment Unit and Bedside Table.

A statement in form and function. Showcase favoured belongings with the **Noa** Buffet and Entertainment Unit. The eye-catching fluted glass doors, decadent marble bench and dark green casing makes for a bold and elegant feature.

Effortlessly elevated. The sophisticated joinery, waterfall edges and contrasting linear channel doors inspire the **Chloe Channel** collection available in a Buffet and Bedside. Designed with classic, contemporary style in mind, the tonal handles embrace versatility.

Embellish and elevate every day with the alluring new **Porto** collection. The mixed mediums of distinctive hand-made tile inlay and natural oak create a sophisticated centrepiece. A collection like no other, available in a Buffet, Dining Table, Console and Side Table.

Sink into the enveloping **Felix Loop** Sofa. With soft round edges, inflated volumes, and exaggerated curves. Available in vintage-inspired Spiced Orange, or a Neutral Speckle for a more paired back appearance.

Flexible modular design and eye-catching piped detailing, the new **Felix Crest** Modular Sofa offers a relaxed style for unparalleled comfort.

Welcoming character with bold proportions, clean lines and contemporary upholstery the New **Hugo Sebastian** Sofa is 70's inspired and oozing comfort. Available in a textured speckled Starry Night or Oat Boucle, inviting a tactile cosy feel to spaces.

Exuding sophistication, embracing contours, oversized ribbed channels and curvilinear design, the **Juno Channel** Modular Sofa invites an extra level of cushioned comfort. Available in a textured boucle or soft chocolate velvet inviting a moody, luxurious touch.

Clean lines and a refined profile offer a relaxed, sophisticated aesthetic with the **Airlie Frame** Sofa. Plump with double-sided cushioning and feather inserts. The hard-wearing linen look fabrication make this an elevated multipurpose addition.

NEW OUTDOOR COLLECTIONS

Bold, playful proportions. Sink into the luxurious new **Kuda** outdoor collection featuring chunky tapered pillar legs. Designed in solid teak.

Sophisticated indoor comfort made for outdoor living. Encouraging sink-in comfort, the **Javea** outdoor collection is Mid Century inspired, designed in a solid teak frame which compliments the plush cushioning and Sunproof Premium upholstery.

Bold, distinguished details and low profiles create a masculine appeal with the **Hardy** collection. Horizontal rope weaves, paired with solid teak creates simplistic appeal. Long-lasting, with structured Quick Dry Foam and Dacron fill cushioning.

Inspired by its namesake, the new **Dune** collection welcomes a soft natural flowing profile in organic shapes. The sand resin creates a tangible, textured finish, available in a Natural or Charcoal finish. Versatile, the Dune Coffee and Side Tables can be used both indoor and outdoor.
