

MIX

Unlimited Sectional, Sofa, Seating Group Configurations

Left Arm Facing - Right Arm Facing - Armless Chair – Corner – Arc – Wedge - Ottoman Block Table

The Mix Modular Collection lets you mix and match components and fabrics to build a custom sectional, sofa or seating group to perfectly suit your space. The design uses 8 basic components (Left Arm, Right Arm, Armless, Corner, Arc, Wedge, Ottoman and Block Table) which can be combined to create an unlimited number of seating configurations. Choose matching fabrics or mix things up to make it your own. Components can be easily reconfigured or added later to adapt to the changing needs of any home or workspace. The tight seat and back give the design a clean-lined, contemporary look, and each component has French seams to subtly soften the edges. Select components include a matching bolster cushion for added style and comfort. Constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.

Fabric Options

Mix Arc & Mix Wedge Only – Parliament Stone, Vintage Mineral

Mix Left Arm, Mix Right Arm, Mix Corner – Vintage Mineral, Vintage Smoke, Parliament Stone, Berkeley Shield, Wash Denim White Slipcover
