

**August 2017:** GlobeWest introduces Collections 2018, a vast and diverse range of furniture and homewares perfect for Contemporary, Modern, Classic, Eclectic and Retreat interiors.

Embracing texture, colour and exquisite craftsmanship, Collections 2018 sees the addition of 22 new collections: 12 indoor, 7 outdoor and 3 homewares.

Collections 2018 includes timber case goods in a variety of woods together with warm neutrals, crisp whites and soft grey finishes. Highlights include statement entertainment units and buffets with rounded edges, curved bases, perforated metal inset detail and sleek black powder coated legs.

Occasional furniture has evolved, with raw edged marble, unique geometric features and feathered and herringbone inlay designs. Luxurious Italian travertine, a mix of grey and white marble, and gold brass framework add sophistication to the range.

Upholstered furniture sees a beautifully expanded velvet colour palette. Sofas, occasional and dining chairs in delicious peppermint, deep emerald, rose, claret, and golden hues. New leather items enhance the natural look of a space, whilst providing supreme comfort and durability for family living.

### **Contemporary**

Warmth, layering and texture continue to be the focus for contemporary settings with classic light tan and grey leather the perfect complement to neutral, light-filled spaces. Bogart's new low-seated leather Cube Sofa adds an understated edge.

### **Classic**

Mindful living influences luxe silhouettes within new and existing collections including the inclusion of intricate, sculptural pieces, rich textures and metallic accents, from bold brass details to carved gold accents. Raw marble takes a love for detail to an unexpected place in the Vionnet collection. The new Vionnet Panel Mirror, Farrah velvet Occasional Chair add charm and grace, whilst the Kennedy, Juno and Bogart ranges add an element of quiet opulence.

## Modern

Minimalism takes a sculptural turn in the bold and versatile Livorno collection. Its' indoor/outdoor dining, café and side tables make a statement in black, grey and white concrete. The Vittoria Olive sofa commands its' space in quilted cubic stitch detail whilst the Clermont collection delivers fine framing and floating glass for a light and elegant look.

## Retreat

Enter a coastal oasis with the textural rattan Plantation collection. Cocoon yourself in the Plantation Nest Hanging Chair, Sofa Chair and 3 Seater Sofa, which work well equally in eclectic, contemporary or coastal spaces. For instant country chic, explore white-washed finishes within the Shelter collection. Sandpiper's tables and consoles feature clean lines, fine metal legs in roughly sawn Mango Wood whilst Otis includes bedsides, buffets and entertainment units in stunning natural ash. New addition Henley applies parquetry detailing to fine-framed bases, refined and sophisticated with casual ease that's fit for minimal spaces and coastal-styled homes.

## Eclectic

Lovers of eclectic and bohemian aesthetics will be enraptured by the whimsical Balthazar and intriguing Evora ranges. Balthazar features earthy, handmade side tables, stools and beaded ceramic and leather pendants. Evora's artisan designs include slatted consoles & coffee tables in a mix of finishes, including hand worked mother of pearl and parquetry marble.

## Homewares

The Homewares collection has grown significantly to include a variety of new wool and wool-blend floor rugs, soft throws & textural cushions. Beautiful pendants in a range of looks shine whilst new ottomans provide the perfect complement to the variety of furniture. Popular collection Barnet takes an Aztec turn.
