

**September 1** | GlobeWest reveals Outdoor Collections 2018, inviting Australians to holiday at home. A diverse outdoor living, dining, lounging and entertainment furniture offering to fit a multitude of alfresco, patio, deck, garden and poolside spaces.

Outdoor sofa's, occasional chairs, dining tables & chairs, sun lounges, bench seating, coffee and side tables, plus planters merging style with durability for the Australian climate.

The collection includes 7 new premium quality furniture collections celebrating Australian open plan, indoor-outdoor dining and living:

Embrace the outdoors with **Livorno**, a modern, sculptural collection featuring rounded silhouettes and concrete fibrestone in black, grey and white. Soak up the sun on comfortable, knitted woven pieces featuring sun-proof properties and quick dry, mould resistant foam. The versatile indoor-outdoor round dining table is a stand-out.

**Atlantic** features thick, unique ribboning detail and warm teak, balanced against a dark grey, light moss and ash colour palette. Fabrics are sun-proof, breathable, UV protected, fade and water-resistant. Highlights include the contemporary, low-seated Loft Sofa Chair and Loft 2 Seater Sofa.

Simple in form, and clever in function, **Cape Town's** modular 2- Seater Sofa and Chaise Sofa feature interchangeable arms, making it customizable to any space. White powder-coated framing and knitted weave inlay detail give it an elegant edge.

Strong curved khaki framing make **Hermosa** a striking and confident addition to contemporary outdoor living spaces. The sandblasted glass coffee table complements soft grey outdoor upholstery.

Embodying resort living, the **Maldives** range features low seating and hanging chairs, perfect for larger spaces and relaxed living. Thick woven designs in black, charcoal or white channel an eclectic, coastal vibe.

Delivering a comfortable feel and a minimal aesthetic, the **Marina** collection mixes a sophisticated colour palette of grey and moss with warm, aged teak. The Cube Sofa Chair and 3 Seater Sofa are classic pieces, while the Square Woven Dining and Occasional Chairs offer a contemporary look.

**Tahiti's** angular teak framing and dark grey upholstery promises to age beautifully and works well in lush garden settings and beyond.

Collections 2018 is available via boutique retailers and design professionals nationally.
